TCH WINDSOR MONTESSORI HAS TEAMED UP WITH LOVABLE LABELS!

Tired of looking for misplaced shoes and clothing? Buying labels is an investment that will help ensure that your children's belongings, old and new, don't get lost or confused with someone else's. Lovable Labels are also great for labelling your children's sports equipment, toys, dance outfits and so much more. If your children can lose it, you can label it! Lovable Labels provides parents with an easy way to buy quality personalized labels for your children's belongings...and the best part is you will be supporting our school too! We will receive 20% of all orders placed through our fundraising website!

January 2018 Newsletter

Dear TCH Windsor Families,

We wish you all a very Happy New Year!

We are teaming up with Lovable Labels again this year, to provide you with access to quality labelling for all your family's needs, and also to help the school fundraise for materials which your children will use and enjoy. Visit the website TCHWindsor.lovablelabels.ca

In this wintery weather, please ensure your child has appropriate clothing for playing outside: snow pants, boots, mittens/gloves, a warm coat and a hat which covers their ears. Even though it takes a while to get everyone bundled you, going outside for even 10—20 minutes is fun and worthwhile. Below -10C the infants and Toddlers do not go outside and below -18C the Casa and Kindercasa do not go outside: these temperatures include the "feels like/wind chill". Please also remember to send you child with indoor shoes and plenty of clothes for their cubby.

As the winter weather usually brings colds and viruses into our warm indoor environments, please do not send your child into school if they are not well enough to participate in all activities—including any outside time if the temperature allows. Breaking the chain of infection is something we work hard to achieve, but it cannot be achieved through the efforts of the staff alone, we need your assistance in reducing the transmission of infection. Please ensure you are using the hand-sanitizing stations throughout the school and that shoes are either removed in the Bambini rooms or covered with shoe-covers which are provided.

Dates for January:
