

July 2017

Dear TCH Windsor Families,

Welcome to July!!!! I can't believe that summer has finally arrived. We have so many fun activities planned. We look forward to all of our new children and families starting, and are sad to see some of our long time families moving on. We wish you all the best of luck in the future, and hope you will come in and visit. Please ensure that all proxy keys are dropped off to the main desk. I will be off for the month of July for personal reasons and Natalie Hogan will be available for you if you have any concerns or questions. I wish you all a wonderful summer.

*We are asking families to use the front entrances of the school and not use any of the playground gates for drop offs and pickups. All families should use the doors in the front of the school and ensure that you are pinning your child(ren) in and out each day on the iPads located at each of the doors. This is a very important process that will ensure the safety of your children. If you do not remember your pin numbers, please email me or come and see me. We would be happy to walk you through the process. *

* Also for the summer we will not be running the Kiss n Ride program. Please give yourselves ample time to drop off your children. All drivers should follow the direction of the traffic when using the bus bay area in the front of the school, and the parking lot. We have had many complaints from the neighbors of unsafe driving. The city will be around to inspect the area during high peak times. Remember to keep safe.
