Principal Newsletter  
May 2017

April showers bring May flowers. Most people are familiar with this saying. The month of May is filled with the sounds of birds, the smell of fresh flowers and summer breezes from time to time.

Happy Spring!

It has certainly been an interesting start to Spring;  
It makes me think that we must  
be getting it all out of the way early to make room for  
some warmer Spring weather and a hot & sunny  
Summer!

We have many fun events and activities planned over  
the month of May so please remember to read the upcoming events and ask your  
child(ren)'s teacher for any further details and information.

\*\*\*

With the summer weather arriving please ensure you have provided your child(ren) with hats, sunscreen and appropriate outdoor clothing. Please try and keep CLOSED TOE shoes at school for your child(ren) so we can ensure total safety for your children while playing outside.
